Veterans Memorial Park Brick/Flagpole Campaign

The Veterans Memorial Park of Collegedale is a local nonprofit venture created to thank all past, present and future Veterans. The Veterans Memorial Park Board of Directors seeks the support of the local community in order to secure necessary funds needed to build this world class Memorial on the Greenway in the heart of Collegedale. The Board of Directors recognizes that our Veterans have made incredible sacrifices throughout our history to preserve our individual freedoms and ultimately secure the sovereignty of our nation. As patriotic Americans we can show our gratitude and support by purchasing Bricks and/or Flagpoles that will be incorporated into the Memorial's permanent design. Each brick and flagpole may be personalized to reflect the name of its donor or to recognize any U.S. Military Veteran. Every dollar donated will be used toward the underwriting of this project.
